Es Amor Lyrics

Qu  extra a sensaci n
Tu magia me envolvi 
Contigo perd a la fe y el control
Fui tu voluntad, tu debilidad
Y t  mi obsesi n
Me dej  llevar por un beso m is
Perd  la raz n
Es amor, qu  s  yo
La locura y el deseo
Es amor, d melo
Este fuego tan intenso
Me acostumbraste a ti
En sue os te sent 
Volar por mi cuerpo haciendo el amor
Me quiero perder dentro de tu piel
Ardiendo de calor
Calmar is tu sed cada amanecer
Bebiendo mi amor
Es amor, qu  s  yo
La locura y el deseo
Es amor, d melo
Este fuego tan intenso
Es amor, qu  s  yo
Lo que me est  consumiendo
Es amor, d melo
Qu  desnudo sentimiento

English Translation:
It's Love

What a strange sensation
Your magic captured me
With you I lost all my faith and control
It was your willingness, your weakness
And my obsession with you
You can leave after one more kiss
I lost reason
It's love, that's what I know
The craziness and the desire
It's love that you gave me

This intense fire
I got used to you
In dreams I felt you
Fly for my body making love
I want to get lost inside you
Burning in heat
It always quenched your thirst
Drinking my love up
It's love, that's what I know
The craziness and the desire
It's love that you gave me
This intense fire
It's love, that's what I know
It's consuming me
It's love that you gave me
What a naked feeling
