Well I thought you knew, thinkin' that you were true
Guess I, I couldn't trust called your bluff time is up
'Cause I've had enough
You were there by my side, always down for the ride
But your joy ride just came down in flames 'cause your
creed sold me out in shame

After all of the stealing and the cheating you'd
probably think that
I hold resentment for you
But uh, uh you're wrong
'Cause if it wasn't for all that you tried to do, I wouldn't
know
Just how capable I am yo pull through
So I wanna say thank you
'Cause it

[Chorus]
Makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for makin' me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for makin' me a fighter

Never saw it coming, all of your backstabbing
Just so you could cash in on a good thing before I'd
realize your game
I heard you're goin round playin, the victim now
But don't even begin feelin' I'm the one to blame
'Cause you dug your own grave
After all of the fights and the lies 'cause you're wanting
to haunt me
But that won't work anymore, no more
It's over
'Cause if it wasn't for all of your torture
I wouldn't know how to be this way now and never back
down
'Cause it

[Chorus]

How could this man I thought I knew
Turn out to be unjust so cruel
Could only see the good in you
Pretended not to know the truth
You tried to hide your lies, disguise yourself
Through libing in denial
But in the end you'll see
YOU-WONT-STOP-ME

I am a fighter and I
I ain't goin' stop
There is no turning back
I've had enough

[Chorus x2]
