Oh yes

[nas]

Uh, this for you girl

Yo, I took you from the projects, put the best clothes in
ya closet

Like ginger from "casino" and now you a pro

We was like joe dimaggio and marilyn monroe

All ya jealous girlfriends hatin waitin

So I put the cars in yo hand

All I know is nas was yo man

It was so real, boats and sixes

Special japanese chefs makin home cooked dishes

Plenty trips, invisible sets

You know what you missin

[jennifer lopez]

Its funny coz for a while

I walked around with a smile

But... deep inside, I could hear

Voices telling me "this aint right"

Dont you know, its not for you

I always knew what I had to do

But its hard to get away

Cause I love you I just got to say

I used to say I didnt do it but I did it (yes I did)

Telling everybody that I wasnt with it (oh yeah)

Though it brings tears to my eyes I can feel it

And I know inside that Im gonna be alright (gonna be
alright)

I said I didnt do it but I did it (yes I did)

Telling everybody that I wasnt with it (oh yeah)

Though it brings tears to my eyes I can feel it

And that voice inside says Im gonna be alright (gonna
be alright)

[jennifer lopez]

Friends of mine say to me

Say you got control over me

Youre not alone, I played my part

Saw the way you were from the start

Cause I expect so much from you
You had a girl when I first met you
Did the best that you could do
Now I realize that I cant change you

I used to say I didnt do it but I did it (yes I did)
Telling everybody that I wasnt with it (oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside that Im gonna be alright (gonna be alright)
I said I didnt do it but I did it (yes I did)
Telling everybody that I wasnt with it (oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says Im gonna be alright (gonna be alright)

[jennifer lopez]
Said I wouldnt walk away
Some days I want to stay (days I want to stay)
But leaving you is what I need to do (need to do)
To be ok (I need to be ok)
I never thought it would be true (would be true)
Be leaving without you (leaving without you)

[nas]
Huh, this life is crazy

[jennifer lopez]
So now its time for me to make that move

[nas]
Huh check it
Yo nobody understands me, Im dealin with pressure
My peoples is locked in a jail cell with no bail stressin
Guess its the life of a kingpin
Rap stephen king, rock bling
Like neon lights, we gon be alright
But its like you feelin lesser
Claim Im actin like a retard
Writin me and my boys
We start fights, with will Im in charge
You scream Im in the streets all night
Or where was I at, ya found light brown hairs on my hat
Im slow caught

I used to say I didnt do it but I did it (yes I did)
Telling everybody that I wasnt with it (oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside that Im gonna be alright (gonna be alright)
I said I didnt do it but I did it (yes I did)

Telling everybody that I wasnt with it (oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says Im gonna be alright (gonna
be alright)
