Oh yes

[Nas]

Uh, this for you girl

Yo, I took you from the projects, put the best clothes in
ya closet

Like Ginger from "Casino" and now you a pro

We was like Joe DiMaggio and Marilyn Monroe

All ya jealous girlfriends hatin' waitin'

So I put the cars in yo hand

All I know is Nas was yo man

It was so real, boats and sixes

Special Japanese chefs makin' home cooked dishes

Plenty trips, invisible sets

You know what you missin'

Huh check it

Yo nobody understands me, I'm dealin' with pressure

My peoples is locked in a jail cell with no bail stressin'

Guess it's the life of a kingpin

Rap Stephen King, rock bling

Like neon lights, we gon' be alright

But it's like you feelin' me lesser

Claim I'm actin' like a retard, right

Me and my boys We start fights,

when will I'm in charge

You scream I'm in the streets all night

Or where was I at, ya found light brown hairs on my hat

I'm so caught

Jennifer Lopez]

It's funny 'cause for a while

I walked around with a smile

But... deep inside, I could hear

Voices telling me "This ain't right"

Don't you know, it's not for you

I always knew what I had to do

But it's hard to get away

Cause I love you I just got to say,

[Jennifer Lopez]

I used to say I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside cause I'm gonna be alright (Gonna
be alright)
I said I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna
be alright)

[Jennifer Lopez]
Friends of mine say to me
Say you got control over me
You're not alone, I played my part
I saw the way you were from the start
Could I expect so much from you
You had a girl when I first met you
Did the best that you could do
Now I realize that I can't change you

I used to say I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside cause I'm gonna be alright (Gonna
be alright)
I said I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna
be alright)

[50 Cent]
I wanna be the reason you smile after you wipe your
tears,
The reason you have the courage to confront your
fears
The reason there's 2 carrots in each of your ears
I splurge with the paper ma, I don't care
How ya like the pumps, boots, jeeps, coupes
Minks, and leathers, 50 fall off never
Whats mine is yours and whats yours is mine
So when I shine you shine
Come on wit this Finest champagne we can toast to life
Crap table in Vegas you can toss the dice
Don't let your friends get ya confused sayin 50 bad
news
I need ya in my life your too much to loose
Now when i tell ya what my wishes are
You don't respect it
When I smile at ya
You don't smile back to reconnect it

You ain't been gone long but
I already miss ya
I need you next to me so I can hug you and kiss you
All the talkin on the phone
All the time we share
How could you fix your mouth to say I don't care
I had plans for us
To buy ice together
Engagement rings, and things to share life together
Now when your friends tell ya 50 call you like whatever
Do u think we were wrong for each other from the start
Or was it my actions that made us fall apart
Just want you to know you'll always have a place in my
heart

I used to say I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside cause I'm gonna be alright (Gonna
be alright)
I said I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna
be alright)

Oh, no...

I used to say I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside cause I'm gonna be alright (Gonna
be alright)
I said I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna
be alright)
