Called you on the phone  
Said Im coming through  
Hope you're all alone  
Cause I got plans for you  
We could stay at home or dance and hang all night  
As long as Im with you  
It doesnt't't matter what we do

Bridge:  
Don't ask me where Ive been  
Or what Im gonna do  
Just know that Im here with you  
Don't try to understand  
Baby, there's no mystery  
Cause you know how I am

Refrain  
Im real, what you get is what you see  
What you trying to do to me  
You want to say your mine  
Be with me all the time  
Youre falling so in love  
Say you just can't get enough  
Youre telling all your friends  
Shes a bad bad bitch

You like the way I dress  
The way I wear my hair  
Show me off to all your friends  
Baby, I don't care  
Just as long as you tell them who I am  
Tell them Im the one that made you give a damn

Repeat bridge

Repeat refrain till fade out
