I just can't control myself I can't be with no one else  
It seems I'm addicted to the way u like to touch me.  
I don't think they understand why I love at your  
command  
From the words you speak so deep my body's weak I  
have to have you.

I love you  
Your perfect  
A manifestation of a dream  
You make my body feel about A million different things.

I think god made you for me a mix of  
Passion and fidelity baby your so complete  
I write this song to let you know that you  
Will always be to me my lust, my love, my man, my  
child,  
My friend, and my king.

I love you  
Your perfect a  
Manifestation of a dream  
You make my body feel about a million different things  
There's no way I'd leave you,  
Just not a reality  
Sometimes I feel Like I'm  
Living In a fantasy
