Love is life
And life is living
It's very special

[LL Cool a]:Baby don't go

[J Lo] Yeahhh
[LL Cool J]:Baby don't go
[LL Cool J]:Baby don't go
[J Lo]:Yeah yeah

[J Lo]:It's such a shame, but I'm leaving
Can't take the way you mistreating me
And it's crazy but ohh baby
I't don't matta whatever don't phase me

[LL Cool J]:I don't believe you wanna leave like this
I don't believe I just had my last real kiss
I do believe we'll laugh and reminisce
Wait a minute don't bounce baby
Lets talk about it

[J Lo]:Well I'm bouncing and I'm out son
I gotta leave you alone

[J Lo]:Cuz I'm good
Holding down my spot
And I'm good
Reppin the girls on the block
And I'm good
I got this thing on lock
So without me you'll be fine, right??

(CHORUS)

[J Lo]:All my pride is all I have
[LL Cool J]:Pride is what you had, baby girl I'm what
you have
[J Lo]:You'll be needing me, but too bad

[LL Cool J]:Be easy, don't make decisions when your mad
[J Lo]:The path you chose to run alone
[LL Cool J]:I know you're independent you can make it on your own
[J Lo]:Here with me you had a home
[LL Cool J]:When time is of the essence, why spend it alone??

[J Lo]:The nights I've waited up for you, promises you made about coming through
So much time you wasted, that's why I had to replace you

[LL Cool J]:It makes a cat nervous the thought of settling down
Especially with me, I was creeping all over town
I thought my tender touch would lock you down
I knew I had you as cocky as it sounds
The way you used to giggle right before I put it down
It's better when your angry
Come here I'll prove it now

[J Lo]:Stop playing
You gaming
I gotta leave you alone

[J Lo]:Cuz I'm good
Holding down my spot
And I'm good
Reppin the girls on the block
And I'm good
I got this thing on lock
So without me you'll be fine, right??

(CHORUS)

[J Lo]:All my pride is all I have
[LL Cool J]:Pride is what you had, baby girl I'm what you have
[J Lo]:You'll be needing me, but too bad
[LL Cool J]:Be easy, don't make decisions when your mad
[J Lo]:The path you chose to run alone
[LL Cool J]:I know you're independent you can make it on your own
[J Lo]:Here with me you had a home
[LL Cool J]:When time is of the essence, why spend it alone??

[LL Cool J]:People make mistakes, to make up, break up, to wake up

Cold an lonley and chill baby you know me, you love
me, I'm like your homie
Instead a beefing come hold me, I promise I'm not a
phony
Don't bounce baby, consol me
Come here

[J Lo]:Nothing you can say to me that can change my
mind
I gotta let you go now
Nothing will ever be the same, so just be on your way,
go ahead and do your thing now
And theres no more to explain to me yah know
I know your game, I'm not feeling what you do (and I'm
good)
So I'm bouncing and I'm out son
I gotta leave you alone
Yeah yeah

(CHORUS)

[J Lo]:All my pride is all I have
[LL Cool J]:Pride is what you had, baby girl I'm what
you have
[J Lo]:You'll be needing me, but too bad
[LL Cool J]:Be easy, don't make decisions when your
mad
[J Lo]:The path you chose to run alone
[LL Cool J]:I know you're independent you can make it
on your own
[J Lo]:Here with me you had a home
[LL Cool J]:When time is of the essence, why spend it
