Children grow and women produce em  
Men go work and some do steal em  
Everyone's got to make a living

(Lox)  
Aloet ya  
J-lo ya  
Ya ya yo yo

You off the blocks this year  
If it weren't for my load to unlock this year  
Everybody mad at the rocks that I wear  
I know where I'm going and I know where I'm from  
You hear locks in the air  
Yeah we at the airport out  
D Lox from the block where everybody air-forced out  
With anew white T you fresh nothing phony with us  
Make the money get the mansion Bring the hommies  
with us

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

(J-Lo)  
From In Living Color to movie Scripts  
To on the six to J-lo to this  
Headline clips  
I stayed grounded as the amounts rolled in  
I'm real I thought I told you (I'm real)  
I'm real even on Oprah (I'm real)  
That's just me  
Nothing phony don't hate on me  
What you get is what you see

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

I'm down to earth like this  
Rocking this business  
I've grown up so much  
I'm in control and loving it  
Rumors got me laughing, kid  
Love my life and my public  
Put God first and can't forget  
To stay real  
To me it's like breathing

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

(Lox)  
Yo Yo  
It take hard work to cash checks  
So don't be fooled by the rocks that I got  
Assets get back what you put out  
Even if you take the good route  
Can't count the hood out  
After a while you'll know who to blend with  
Just keep it real with the one you came in with  
Best thing to do is stay low  
Lox and J-lo  
Don't' act like you don't pthing know

J-Lo  
Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block

I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)

Don't be fooled by the rocks that I got  
I'm still I'm still Jenny from the block  
I used to have a little now I have a lot  
No matter where I go I know where I came from (from  
the Bronx)
