[Fat Joe:]

(Remix)

Yeah, not to get it confused or twisted  
This is a T Squad remix, ya heard  
Joey Crack the Don, J Lo  
Boogie Down Bronx, ya heard? Boricua

[Jennifer:]

[Chorus:]

Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing

When you rolled up in the Escalade  
Saw that dub you gave to the valet  
Knew that it was game when you looked at me  
Pulling up your sleeve so I could see the Rollie bling

Saw you later in the corner booth  
Raising up a toast so I would notice you  
But you're hard to miss, think you outta know  
Doesn't matter if you're balling out of control

All that matters is  
That you treat me right  
Give me all the things I need  
That money can't buy yeah

[Chorus:]

Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke

My love don't cost a thing

When I took a chance  
Thought you'd understand  
Baby credit cards aren't romance  
Still you're tryin' to buy what's already yours  
What I need from you is not available in stores

Seen a side of you that I really feel  
You're doing way too much, never keep it real  
If it doesn't change, gotta hit the road  
Now I'm leaving, where's my keys?  
I've got to go

All that matters is  
That you treat me right  
Give me all the things I need  
That money can't buy, yeah

[Chorus:]  
Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke, baby  
My love don't cost a thing (Don't cost a thing)  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own (Ohh)  
Even if you were broke  
My love don't cost a thing

Love don't cost a thing  
A thing, a thing, a thing  
Yeah, yeah, yeah

[Fat Joe:]  
Yeah, uh, money can't buy love  
Well love can't buy a damn thing  
See if love buy you champagne  
See if a hug buys a damn ring  
Or that Dolce dress with a slit up the hamstring  
I ain't tryin' to buy your heart with money  
But I'm eatin' now, how I'mma starve my honey  
If I went broke today, I'd be blacker than blind  
Catch a case just to keep your face between rocks, uh  
Even if we had to live in a box  
I'll make the sacrifice  
Tell you go ahead and live with your pops  
Come on ma you know better  
Even though you got your own chedda  
We can spend mine together  
Can't lie, even think about us dying together  
In the same house, that we plan to buy together

Jenny it's all about you  
I only trick 'cause I'm allowed to  
But it don't mean it's without you

You think the money that you make (That you make)  
Can substitute the time you take (The time you take)  
To get the keys into my heart  
Think you can win my heart  
Don't know what's in my heart  
(Don't cost a thing)

I think you need to take some time  
To show me that your love is true (Ohh)  
There's more than dollar signs in you  
Then you can win my heart, and get what's in my heart

[Chorus:]  
Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing (Love don't cost a thing)  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
(Even if you were broke)  
My love don't cost a thing  
(My love don't cost a thing)

[Chorus:] [2x]  
Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing
