Someone found a letter you wrote me, on the radio
And they told the world just how you felt
It must have fallen out of a hole in your old
Brown overcoat
They never said your name
But I knew just who they meant.

Whoa oh oh, I was so surprised and shocked, and I
Wondered too
If by chance you heard it for yourself
I never told a soul just how I've been feeling
over you
But they said it really loud
They said it on the air

On the radio whoa oh oh
On the radio whoa oh oh
On the radio whoa oh oh
On the radio whoa oh oh
now, now (4x)

Don't it kinda strike you sad when you hear our
Song
Things are not the same since we broke up last
June
The only thing that I wanna hear is that you love
Me still

And that you think you'll be comin' home real

Soon
Whoa oh yeah yeah
And it made me feel proud when I heard you say
You couldn't find the words to say it yourself
And now in my heart I know I can say what I
Really feel
cause they said it really loud
They said it on the air

On the radio whoa oh oh
On the radio whoa oh oh
On the radio whoa oh oh

On the radio whoa oh oh
on the radio
yea, on the radio (2x)

If you think that love isn't found on the radio
then tune right in you might find the love you
lost
cause now I'm sitting here with the man I sent
away long ago
cause he said it really loud he said it on the air

On the radio whoa oh oh
On the radio whoa oh oh
On the radio whoa oh oh
On the radio whoa oh oh
