### Intro

We got it locked. They know, that Whenever we around  
it goes down like Drano, and it's nothing to spend  
these pesos, and you will never see us [...] low low.  
[..] Aint nothing greater, hanging out the window  
straight busting at you love haters

### Verse 1:

Bonny Clyde,  
No other girl will ever ride like I ride  
That's why you need me on your passenger side,  
Let me help you get that paper.  
Hanging out the window busting at them love haters.  
Me and you,  
I'm the closest you'll ever be to truth.  
Theres never a question of what I'll do  
Uh huh for you.  
With me you'll never loose.

### Chorus:

So, Call on your girl that can hold you right  
I'll be your protector I'll never forget you.  
You need somebody that can hold you tight.  
I'll be in your arm love  
Keep you out of harm boy.  
I'll be your anything, everything  
Rockin' roll with you.  
If things get to hot out in the cold with you.  
Froze Froze with you.  
Me and you together Our love could run the  
world(uh,oh)(uh,oh)  
Run the world (Uh,oh)(Uh,Oh)  
Our love could run the world (uh,oh)(uh,oh)  
Run the world (uh,oh)(uh,oh)  
Our loved could run the world.  
I'll be your anything everything rockin roll with you  
If things get to hot I'm in the cold with you,  
Froze, Froze with you  
Me and you together our love could run the world.

### Verse 2:

(Rose! Yeah)

The range rover sitting lower than the [?]  
Let me know who make it rain more  
Me or the lord.  
I gotta schedule like I'm unemployed  
Shaking dice at the table baby go ahead and blow it.  
You can't ignore it your whole body getting explored.  
Top to bottom I'm reproducing your deepest thoughts.  
Lay off the leash the second week I lease the Porsche  
Let down the top and hit the beach a future divorce.

Chorus:

Call on your girl that can hold you right  
I'll be your protector I'll never forget ya.  
You need somebody that can hold you tight.  
I'll be in your arm love  
Keep you out of harm boy.  
I'll be your anything, everything  
Rockin' roll with you.  
If things get to hot I'm in the cold with you.  
Froze Froze with you.  
Me and you together Our love could run the world run  
the world (uh,oh)(uh,oh) Run the world (Uh,oh)(Uh,Oh)

Verse 3:

Hit me on my cell better be talking them dollars  
The boss ball park resemble the dodgers,  
I never dodge a thing except for the Chargers.  
Embarrassed by the rubber bands  
My ex would of charged it.  
Got it popping so everybody be watching them.  
Exotic watches you know my lady be popping them  
Her girlfriends party like Cyndi Lauper now.  
Rose! Time to lock her down.

Chorus:

Call on your girl that can hold you right
