Yo

All I did was look

Why trippin'

Look

[Verse 1]

Baby

Look i'm tired of tryin'

To convince you that I ain't caught up lyin'

When she walk past me I looked

So what

Big deal

I don't understand how that can make you feel

That my love ain't for real

[Hook 1]

Everday I thank the lord above that your with me(your
with me)

Tell me why would I throw that away(why would I throw
that away)

What can I do to prove that this is where I wanna
be(yea)

So I may look occasionally

Your the only one I need

[Chorus]

If I wanted

(That girl)

Then I would be with

(That girl)

But that one ain't for me

She's fine as hell but she'll always be

(That girl)

Nothin' more then

(That girl, no matter what she do she don't compare to
you)

[Verse 2]

What chu yellin for

(Why you screamin')

Girl you act as if you just caught me cheatin'

When you look at other men and don't act like you don't

I don't trip because I know that I'm the guy you come to
every night

[Hook 1]

Everyday I thank the lord above that your with me(that
your with me)

Tell me why would I throw that away(why would I throw
that away)

What can I do to prove that this is where I wanna be

So I may look occasionally

Your the only one I need

[Chorus]

If I wanted

(That girl)

Then I would be with

(That girl)

But that one ain't for me

She's fine as hell but she'll always be

(That girl)

Nothin' more than

(That girl, no matter what she do she do she don't
compare to you)

[Hook 2]

I

Know I

Need you

Right here with me

Oh I

Know I

Need you

No other girl would do

Cause I

Need you

Right here with me

Oh I.....Need you

Whoooooa

[Chorus]

If I wanted

(That girl)

Then I would be with

(That girl)

But that one ain't for me

She's fine as hell but she'll always be

(That girl)

Nothin more then

(That girl)

No matter what she do she don't compare to you

[Marques]

If I wanted that girl

Then I would be with that girl

But that one ain't for me

She's fine as hell but she'll always be

That girl
Nothin' more than that girl
No matter what she do
She just can't be you
