1 - Do you know where you're going to?  
Do you like the things that life's been showing you  
Where are you going to?  
Do you know?

2 - Do you get  
What you're hoping for  
When you look behind you  
There's no open door  
What are you hoping for?  
Do you know?

Once we were standing still in time  
Chasing the fantasies  
That filled our minds  
You knew how I loved you  
But my spirit was free  
Laughing at the questions  
That you once asked of me

Repeat 1

Now looking back at all we've planned  
We let so many dreams  
Just slip through our hands  
Why must we wait so long  
Before we'll see  
How sad the answers  
To those questions can be

Repeat 1

Repeat 2  
Repeat 1 till fade
