I was down for the count  
Feeling like I've come to the end  
Nothing really mattered  
Nothing left for me to meant

And then you came  
And I still couldn't see  
Til you tore down every wall in me  
How you healed me with your patience  
If it's all I ever do  
I never stop loving you

[Chorus:]  
Cuz I'm alive, I can breathe, I can feel, I believe  
And there ain't no doubt about it, there ain't no doubt  
about it  
I'm in love  
And it's all because of you  
I was fading but you pulled me through  
I'm awake, I survived, I was hurt, thought I'd die  
And there ain't no doubt about it  
It's love and I have found it  
Feel the beat again, stronger than before  
I'm gonna give you my heart until it beats no more

I was in place full of pain  
With a broken down heart in despair  
He took away my feelings  
And made it hard for me to care  
But then you crashed through the door, to my soul  
Put back all the pieces and made me home  
I was living in the past  
Now I'm never looking back, I'm never looking back

[Chorus:]  
Cuz I'm alive, I can breathe, I can feel, I believe  
And there ain't no doubt about it, there ain't no doubt  
about it  
I'm in love  
And it's all because of you  
I was fading but you pulled me through  
I'm awake, I survived, I was hurt, thought I'd die

And there ain't no doubt about it  
It's love and I have found it  
Feel the beat again, stronger than before  
I'm gonna give you my heart until it beats no more

Whatever you want me to  
I'm gonna see you through  
All I ever do  
Never stop loving you

[Chorus:]

Cuz I'm alive, I can breathe, I can feel, I believe  
And there ain't no doubt about it, there ain't no doubt  
about it  
I'm in love  
And it's all because of you  
I was fading but you pulled me through  
I'm awake, I survived, I was hurt, thought I'd die  
And there ain't no doubt about it  
(There's just no doubt)  
I'm much stronger  
So much stronger than before  
I'm gonna give u my heart  
Until it beats no more
