Verse 1:

Like a movie scene , In the sweetest dreams , Have
pictured us together
Now to feel your lips , On my finger tips , I have to say is
even better
Than i ever thought it could possibly be
Its perfect , its passion , its setting me free
From all of my sadness , The tears that i've cried , I
have spent all my life

Chorus:

Waiting for tonight , Oh
When you would be here in my arms
Waiting for tonight , Oh
I've dreamed of this love for so long
Waiting for tonight

Verse 2:

Tender words you say , Take my breath away , Love me
now , leave me no never
Found a sacred place , lost in your embrace , I want to
stay in this forever
I think of the days when the sun used to set , On my
empty heart , All alone in my
bed
Tossing and turning emotions were strong , I knew I
had to hold on

Chorus(2x's)

Gone are the days when the sun used to set , On my
empty heart all alone in my bed

Tossing and turning , Emotions were strong
I knew I had to hold on

Chorus
