I can't wait, wanna see
How this night is gonna be
Just touch, far away
From feelin' that is here to stay

Bridge:

We can make it last forever, baby
Our love will stand the test of time
In the middle of our world, I'll be waiting
for you to be all mine

Chorus:

We're walking on sunshine
In the middle of the night
And it feels like I'm somewhere
Above the sky

Take my hand, close your eyes
Say the sweet little things that Make me cry
Catch my tears, with a kiss
These special moments do exist

Bridge

Chorus

Chorus 2:

Let's take a chance and try love baby
No one's not givin up
Till you tell me that you'll be in my life
Until the end of time

Chorus

Chorus 2

Chorus x4

It'll take much more than a lifetime, baby
For this love to end
And it feels so good to know

That we are here in love again
