Uh, what? Uh, uh, uh, let's go

Called you on the phone, said I'm coming through
Hope you're all alone 'cause I got plans for you
We could stay at home or dance and hang all night
As long as I'm with you, it doesn't matter what we do

Don't ask me where I've been or what I'm gonna do
Just know that I'm here with you, don't try to understand
Baby, there's no mystery 'cause you know how I am

I'm real, what you get is what you see, what you're
trying to do to me
You want to say you're mine, be with me all the time
You're falling so in love, say you just can't get enough
You're telling all your friends, she's a bad, bad bitch

Uh, in the [unverified]

You like the way I dress, the way I wear my hair
Show me off to all your friends and baby, I don't care
Just as long as you tell them who I am
Tell them I'm the one that made you give a damn

Don't ask me where I've been or what I'm gonna do
Just know that I'm here with you, don't try to understand
Baby, there's no mystery 'cause you know how I am

I'm real, what you get is what you see, what you're
trying to do to me
You want to say you're mine, be with me all the time
You're falling so in love, say you just can't get enough
You're telling all your friends, she's a bad, bad bitch

I'm real, what you get is what you see, what you're
trying to do to me
You want to say you're mine, be with me all the time
You're falling so in love, say you just can't get enough
You're telling all your friends, she's a bad, bad bitch

I'm real, what you get is what you see, what you're
