Do it, do it  
You do it, do it  
You're doin' it well

Here's the thing  
I was minding my own business doin' what I do  
I wasn't tryina look for anything  
All of a sudden couldn't take my eyes off you

I didn't even know if you could tell  
That you had me in a daze sayin', "What the hell"  
Here's my name, number, baby just hit my cell  
Loving everything you do 'cause you do it well  
Don't know what you got me thinkin'

You ain't even tryina play me boy  
'Cause you're so good and you're so fine  
Got me sayin' crazy things, listen

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

Oh, yeah, hey

Let me tell you how it's gonna go

You and me, gonna need a little privacy  
I don't wanna do the dance, no do-si-do  
I'm a one woman man seven days a week

Quit tryina play it cool boy, make your move  
I told you how it is, nothin' to lose  
You been starin' over here all night for free  
And I ain't takin' no cash or credit, just a guarantee  
There ain't nobody else but me boy

You ain't even tryina play me boy  
'Cause you're so good, and you're so fine  
Got me sayin' crazy things, listen

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

Can nobody do it quite like me  
Hit it just right through the night like me  
Have em' at a [unverified] and invite like three  
To hit the night life they say, "Ay papi!"

Ay mami! It's nice to meet ya'  
Me gustan hermosas seÑoras  
I love how you shake your distinctive features  
My name's Ludacris and I'd like to freak it

They say [unverified] do it again  
And you know me so I'm like [unverified]  
I'm the numero uno, rico hombre  
Baby feel this and 'grita mi nombre

Toda la noche'  
Kno' you won't say skip the fo'play

Sip some Rose  
Either that or some Veuve Clicquot  
And on that note, adios amigos

Baby not lookin' for false pretenses  
I think you just shocked me to my senses  
Everything that you do feels right  
Do it, do it, do it, do it all night

Baby not lookin' for false pretenses  
I think you just shocked me to my senses  
Everything that you do feels right  
Do it, do it, do it, do it all night

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

'Cause you do it, do it  
You do it, do it  
You're doin' it well

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

I ain't ever met a man like that  
(No, like that)  
I ain't ever fell so far, so fast  
(No, like that)  
You can turn me on, throw me off track

Boy you do it, do it  
You do it, do it  
You're doin' it well

I ain't ever met a man like that  
(No)  
I ain't ever fell so far, so fast  
(No)  
You can turn me on, throw me off track

Boy you do it, do it

You do it, do it  
You're doin' it well
