Oh, yes  
This for you, girl, yo

I took you from the projects, put the best clothes in ya closet  
Like Ginger from "Casino" and now you a pro  
We was like Joe DiMaggio and Marilyn Monroe  
All ya jealous girlfriends hatin', waitin'

So I put the cars in yo hand  
All I know is Nas was yo man, it was so real, boats and sixes  
Special Japanese chefs makin' home cooked dishes  
Plenty trips, invisible sets, you know what you missin'

Money, cars for a while  
Walked around with a smile  
But deep inside, I could hear  
Voices telling me, "This ain't right"

Don't you know, it's not for you  
I always knew what I had to do  
But it's hard to get away  
'Cause I love you, I just got to say

I used to say I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And I know inside I'ma be alright

Said I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And that voice inside says I'm gonna be alright

Friends of mine say to me  
Say you got control over me  
You're not alone, I played my part  
I saw the way you were from the start

'Cause I expect so much from you  
You had a girl when I first met you

Did the best that you could do  
Now I realize I can't change you

I used to say I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And I know inside I'ma be alright

Said I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And that voice inside says I'm gonna be alright

Said I wouldn't walk away, some days I want to stay  
But leaving you is what I need to do to be okay  
Never thought it would be true, be leaving without you  
So now it's time for me to make that move

Huh, check it  
Yo, nobody understands me, I'm dealin' with pressure  
My peoples is locked in a jail cell with no bail stressin'  
Guess, it's the life of a kingpin, Rap Stephen King, rock  
bling  
Like neon lights, we gon' be alright but it's like you  
feelin' lesser

Claim I'm actin' like a retard, writin' me and my boys  
We start fights with will, I'm in charge  
You scream I'm in the streets all night or where was I at  
Ya found light brown hairs on my hat, I'm slow caught

I used to say I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And I know inside I'ma be alright

Said I didn't do it but I did it  
I said telling everybody that I wasn't with it  
Though it brings tears to my eyes, I could feel it  
And that voice inside says I'm gonna be alright
