Ben, the two of us need to look more
We both found what we were looking for
With a friend to call my own
I'll never be 'alone
And you my friend will see
You've got a friend in me
You, you're not wanted anywhere
If you ever look behind
And don't like what you find
There's something you should know
You've got a place to go

I use to say
I am me
Now it's us
Now it's we

Ben, most people would turn you away
I don't listen to a word they say
They don't see you as I do
I wish they would try to
I'm sure they'd think again
If they had a friend like Ben
Like Ben-a-friend like Ben
