It stops... never

Meant to be
You and me
Unconscious love
Love is a attraction
It's so hot
What we've got
Like a chemical reaction

So how can it be so suddenly
You treat me like a stranger
Remember, remember when
You told me i
I made you feel so alive

You can't stand in the way of love
You can't stand in the way of love
Like a river to the ocean
Can't stop this emotion
You can't stand in the way of love

How can you be so cold
Put my heart on hold
Gotta see you tonight
Gonna show you what I feel for you
Gonna do anything you want me to

You can't stand in the way of love
You can't stand in the way of love
Like a river to the ocean
Can't stop this emotion
You can't stand in the way
Can't stand in the way of love
You can't stand in the way of love
No, no, no
You can't stand in the way of love

You can tell yourself
"this time it's over"
Build a wall
Close the door

You can tell yourself
Tell yourself
That you don't need me anymore
No, no, no, no

If there's a door
I'll break it down
Break it down
Build a wall
I'll climb around

You can't stand in the way of love
You can't stand in the way of love
Like a river to the ocean
Can't stop this emotion

You can't stand in the way
You can't stand in the way
It's driving me crazy
You can't stand in the way
You can't stand in the way
That's you won't be my baby
Once you've tasted the potion
It puts you in motion

You can't stand in the way
Stand in the way
It's driving me crazy
You can't stand in the way
Like a river to the ocean
Can't stop this emotion
