"Back To Heaven"

Visit "[Back To Heaven](#)" on MotoLyrics.com

Time
no sense of time
no sense of no one
me and the endless sky.

Scenes
the fading scenes
the world that I've seen
a shade of transparency

Heaven
back to heaven
it's back on my mind
back with me.

Should I stay or should
I stumble
should I pray or should I run
to find a place
to live somehow.

Time
no sense of time
no sense of no one
me and the endless sky.

Dreams
I'm giving in
sweat on my skin
a feeling so pure and clean.
