"Frequent Flyer"

Would you help me pack my bags?, I might be leaving
I need some sweet assistance while I'm stealing
Some of your time
I hope that's fine

I got photographs of all you, all I'm needing
Forgiveness if I left you all believing
That I'm the one
'cause I feel like none
and I need something to direct me to it

Chorus:

'cause I'm a frequent flyer, notorious liar
but I can't get close enough
I never get close
I can't get close enough

I would love to tell my story from the ending
but the story is getting thin from heavy spending
and I need my man
and I need a friend
and I need someone to protect me from the rain

chorus

to the ending
I can't get close enough ah ahhh
I can't get close enough to the sun
I can't get close enough

chorus

it seems
