All:

Father, sister

Verse 1:

Father sister, dearest voices
I have found you, and I don't know how
Father sister, I hear your voices
But am I dreaming, or are you here right now
Can you tell me.

Chorus:

How shall I see you through my tears
(Please tell me)
How shall I see you through my tears
(I need to know)
How shall I see you through my tears

Verse 2:

Father, sister, the gods have spoken
I bring a promise, a holy vow
A world that casts you out forgives you
And those who blame you sing your praises now
Won't you tell me

How shall I see you through my tears
How shall I see you through my tears
How shall I see you through my tears
