I hear your spirit calling
I hold your hand
And see you falling into the debris of it all.
We're making love and live in dreams

We crash through walls
but no-one wants to hear the screams

And no-one knows the way or where it ends.

I hear your spirit calling
I hold your hand
And see your falling into the debris of it all.
We're making love and live in dreams

We crash through walls
but no-one wants to hear the screams

And no-one knows the way or where it ends.

One fine day
one fine day -
Anytime
anyday
we may find a way
Anytime
anyday
we may find a way

Anytime
anyday
we may find a way

Anytime
anyday
we may find a way.
One fine day - anytime anyday
we may find a way

One fine day - anytime anyday
we may find a way

One fine day - anytime anyday
we may find a way

One fine day - anytime anyday
we may find a way
anytime.
