I hear your spirit calling
I hold your hand
And see you falling into the debris of it all.
We're making love and live in dreams
We crash through walls
But no-one wants to hear the screams
And no-one knows the way or where it ends.
I hear your spirit calling
I hold your hand
And see your falling into the debris of it all.
We're making love and live in dreams
We crash through walls
But no-one wants to hear the screams
And no-one knows the way or where it ends.
One fine day
One fine day -
Anytime
Anyday
We may find a way
Anytime
Anyday
We may find a way
Anytime
Anyday
We may find a way
Anytime
Anyday
We may find a way.
One fine day - anytime anyday
We may find a way
One fine day - anytime anyday
We may find a way
One fine day - anytime anyday
We may find a way
One fine day - anytime anyday
We may find a way
Anytime.
