Some people suppress you  
they patch you and reap a disaster.  
Reeducation For the enfants  
who demanded for an innocent instance.

The great commandment shows the contempt  
Between the world and their embarrassing pavement.  
Believe the scholars  
read the readings

Realize the man who says anything.

The great commandment -  
The needies believe you  
they treat you like survivor disaster.  
Reeducation for the enfants  
who demanded for an innocent instance.

The great commandment shows the contempt . . .  
The great commandment shows the contempt . . .
