Just To Have You

Music and words by Jennifer Paige, J.D. Martin and Andy Goldmark?

It's a full moon night  
Something ain't right  
Wind is bangin' my door  
Call me insane  
I want this pain  
But it's justified, it's justified, it's justified  
I swore I would never be this way  
But I can't stop this runaway train

(CHORUS)

I can't you out of my dreams  
I tell you I'd do anything  
Just to have you here with me  
I know that I'm in way too deep  
I would give up everything  
Just to have you here with me

There's a fire in my head  
Makin' me sweat  
Keeps me coming back for more  
We'll it's crazy in here  
Cause I want these tears  
But it's justified, it's justified, it's justified  
I thought you'd never make me feel this way  
But I can't stop this runaway train

(CHORUS)

Don't know right from wrong  
Don't know where I'm going  
Spending all my nights in a restless bed  
For you love I'm waiting  
It's too late, it's too late to hold my heart steady  
Spending my nights in a restless bed  
There's a fire raging in my head
