You know it only breaks my heart
To see you standing in the dark
Alone waiting there for me to come back
I'm too afraid to show

If it's coming over you
Like it's coming over me
I'm crashing like a tidal wave
That drags me out to sea
I wanna be with you
If you wanna be with me
Crashing like a tidal wave
I don't wanna be
Stranded
Stranded
Stranded
So baby come back to me [Stranded]
So baby come back to me [Stranded]

I can only take so much
These tears are turning me to rust
I know you're waiting there for me to come back
I'm too afraid to show

If it's coming over you
Like it's coming over me
I'm crashing like a tidal wave
That drags me out to sea
I wanna be with you
If you wanna be with me
Crashing like a tidal wave
I don't wanna be
Stranded
It's comin' over you
It's comin' over me
It's comin' over you
yeah yeah yeah

I miss you
oh baby
Without you

I'm stranded
I love you
So come back
I'm not afraid to show

Crashing like a tidal wave
Drags me out to sea
I wanna be with you
You wanna be with me
Crashing like a tidal wave
I don't wanna be
Stranded
It's coming over you [Stranded]
It's coming over me [Stranded]
It's coming over you [Stranded]

So baby come back to me [Stranded]
So baby come back to me [Stranded]

Coming over you
Coming over me
comin over you

So baby come back to me oooo ooo yeah oh yeah
so baby come back to me
so baby come back to me oooo ooo yeah oh yeah
stranded
stranded oh yeah
stranded
stranded
