It must have been cold there in my shadow,
To never have sunlight on your face,
You were content to let me shine, that's your way,
You always walked a step behind,
So i was the one with all the glory,
While you were the one with all the strength
A beautiful face without a name, for so long
A beautiful smile to hide the pain

Chorus: Did you ever know that your my hero,
And everything i would like to be
I can fly higher than an eagle,
Cause you are the wind beneath my wings

It might have appeared to go unnoticed
But i have it all here in my heart
I want you to know i know the truth, of course i know it
I would be nothing without you

Chorus: Did i ever tell you you're my hero
everything i would like to be
i can fly higher than an eagle
cause you are the wind beneath my wings

Did i ever tell you you're my hero
you're everything, everything, i wish i could be
oh, and i, i can fly higher than an eagle
cause you are the wind beneath my wings

Oh the wind beneath my wings
fly, fly, fly away, you let me fly so high
oh , you, you, you, the wind beneath my wings
oh, you, you, you, the wind beneath my wings
Fly, so high against the sky
So, high i almost touched the sky
Thank You, Thank You, Thank God for you
The wind beneath my wings
