Couldn't speak today
Wanted to stay away
Everything seemed so black

Had to escape the light
Nothing but pointless fights
And there's no turning back

Chorus
Fall Behind
Don't say those things that you say if you don't mean
them
Fall Behind
Walking Away from Goodbyes, I don't need them
Fall Behind, behind me
Fall Behind, Fade Away
As I leave, fade away from me

Running from everyone
Until the feelings gone
Running out on my dreams

Someone might find me there
Someone might find me where
Life's not hard as it seems

Chorus

Bridge
I wrote on the paper, and signed with a tear
Walked out the door, held the letter so near
So take these words of mine
And think of me sometime...
