Open Your Eyes and see,  
Fallen into a dream of you and me  
Nothing compares to us  
Open your eyes for love

Do you believe in faith?  
Got to believe that the path is ours to take  
I don't know where we'll be  
So put all in your faith in me

Chorus  
Sometimes Love's not enough  
Sometimes Love means too much  
Sometimes words are too loud  
And your heart it whispers  
Maybe Love's not enough  
Maybe love means too much  
But it happened to us  
So while you're still dreaming I'll wait  
I'll Wait for you

Why does the past replay  
It happened before, but that was yesterday  
If only you'd try to say  
Instead of pushing me away

Chorus

Bridge  
I can see it so clearly, now I realise  
You could see it so clearly, if you'd dry your eyes  
We could be together  
And live like dreamers do  
I still dream of you...
