Touchdown with your broken wing  
give me your love and well begin  
To leave the past  
time moves on much too fast.  
So give me your kick  
don't be so shy.  
And use every trick  
don't tell me why

You still need the sky to fly on high.  
I'm falling  
I'm falling  
I'm falling in love again.  
I'm falling  
I'm falling  
I'm falling in love.  
Check the hearts of your 25 lovers  
And you'll find the answer why it's you  
who's losing.  
Check my heart 'cause you're still on the outside  
It's your last chance to get in on the inside now.  
Words are a waste of time

When what we feel can't be denied  
say goodbye  
and it would be a lie.  
So look at me  
don't walk away  
can see in your eyes that you want to stay.  
You should know that only winners score.

I'm falling  
I'm falling  
I'm falling in love again. . . .  
Check the hearts of your 25 lovers  
Check the hearts of your 25 lovers
