When I was young I never needed anyone  
And making love was just for fun, those days are gone

Living alone I think of all the friends I've known  
But when I dial the telephone nobody's home

All by myself  
Don't wanna be all by myself any more

Hard to be sure, sometimes I feel so insecure  
And love's so distant and obscure, remains the cure

All by myself  
Don't wanna be all by myself any more  
All by myself  
I don't wanna live all by myself any more

When I was young I never needed anyone  
And making love was just for fun, those days are gone

All by myself  
Don't wanna be all by myself any more

All by myself  
Don't wanna live, oh, oh  
Don't wanna live by myself, by myself any more, oh  
By myself
