Everything changes
Iâ€™m wondering if itâ€™s the truth
'Cause I know the difference
Youâ€™re making a move
Trying to tell if I still tremble
When I think of you
Iâ€™ve crossed that line before
But you know that I still do

You and me are fire and rain
Weâ€™re like rolling thunder
All I know is I want you
You were racinâ€™ I slowed down
Trying to find a reason
For all that I cried for you

I still wanna know you
By forging the chains of love
But I need to see through
Are you leading me on
Can you believe that itâ€™s surrender
No it never died
This hunger that survives
For all that I still want you

You and me are fire and rain
Weâ€™re like rolling thunder
All I know is I want you
You were racinâ€™ I slowed down
Trying to find a reason
For all that I cried for you

You were mine
My heart was yours
We did not find
A way to survive

You and me are fire and rain
Weâ€™re like rolling thunder
All I know is I want you
You were racinâ€™ I slowed down
Trying to find a reason

For all that I cried for you
