Love's a no, no, girl,  
I wouldn't let it happen again.  
But I could feel my world,  
Just slipping through the palm of his hand.

Just the sound of his voice,  
And I forget about the price I've paid.  
Seems I've got no choice,  
Somewhere in my heart,  
The decision's been made.

His love keeps getting stronger,  
(Alek, don't know what this line is, never been able to  
figure it out)  
Can't hold back much longer,  
Guess it looks like we're in for a ride.

Love get ready, here I come.  
Keep my heart beat steady,  
'Til I know he's the one.  
Love get ready, here I come.  
Gonna catch me one more time.

I've heard all the lies,  
And every way to say goodbye.  
But this heart of mine,  
Says he's not just another guy.

Then with every turn,  
It's better than the time before.  
I only know this much,  
Whatever it is, I've just got to have more.

I can't keep my distance,  
I wouldn't do it if I knew how.  
That doesn't make any difference,  
'Cause I can tell you it's too late now.

Love get ready, here I come.  
Keep my heart beat steady,  
'Til I know he's the one.  
Love get ready, here I come.

Gonna catch me one more time.

Somebody wake me,  
And bring me to my senses.  
Somebody shake me,  
I'm losing my defenses.

Love get ready, here I come.  
Keep my heart beat steady,  
'Til I know he's the one.  
Love get ready, here I come.  
Gonna catch me one more time.

Love get ready, here I come.  
Keep my heart beat steady,  
'Til I know he's the one.  
Love get ready, here I come.  
Gonna catch me one more time.

Go get yourself ready.  
I can't tame him, 'cause I'm loving it now.  
Just get yourself ready,  
Can't hold back, and I'm gonna let it get strong.  
Just get yourself ready.  
Love get ready, just get yourself ready.
