No illusions of tomorrow
Not that kind of a love
Keep demanding all of my time
Then you push me and shove

Saying love's illegal, love's a liar
Stealing hearts from the stars
See no evil, hear no fire
Paralysed by the light

It's a love of a stranger
That can steal your heart
Beware of the danger
When the passion starts
It's a love of a stranger
When the darkness calls
Cos a love will hold your heart for ransom here
Til it's gone and leaves you all alone

Stormy weather at the border
And some burns within
So beware of words of honour
Seems to close to sin

It's a love of a stranger

That can steal your heart
Beware of the danger
When the passion starts
It's a love of a stranger
When the darkness calls
Cos a love will hold your heart for ransom here
Til it's gone and leaves you all alone

It's a love of a stranger
That can steal your heart
Beware of the danger
When the passion starts
It's a love of a stranger
When the darkness calls
Beware of the danger
When the passion starts

It's a love of a stranger
That can steal your heart
Beware of the danger
When the passion starts
It's a love of a stranger
That can steal your heart
