I look across the water, a picture comes to mind  
Of days when we were wiser now washed up with the  
tide

Now I miss you so  
Oh, now I miss you so

I feel the wind around me, certain it calls my name  
The whispered way that you did now drowned out by  
the rain

Now I miss you so  
Oh boy I miss you so

Take me back to waters and let me ride the wind  
If it's all that I can have to love you once again  
Let me have illusions, they're keeping me alive  
If it's all that I can have I'll love you in my mind

Fly with broken wings  
Fly with broken wings  
Fly with broken wings

Feel like a desperado, worn out from the run  
Crossing every border to find out that you're gone  
Now I miss you so  
Oh boy I miss you so

Take me back to waters and let me ride the wind  
If it's all that I can have to love you once again  
Oh let me have illusions, they're keeping me alive  
If it's all that I can have I'll love you in my mind

Fly with broken wings  
Fly with broken wings  
Fly with broken wings  
Oh fly with broken wings  
Fly with broken wings  
Fly with broken wings
