On a hot city night
Under shimmering lights
That's the time I'm making
All the rounds
Well I made up my mind
That tonight I'm gonna find
The perfect stranger somewhere in this town
Around every corner
The possibilities
When I give the motion
Everybody freeze

Nobody move
I've come to take what's mine
Nobody move
'Til we're doing it in time
Nobody move
Nobody, mooove, nobody move

I'm the keeper of romance
And I'm gonna do my dance
So beware when I start to move
There'll be no turning back
In the middle of my act
Look out now
I'm closing in on you
Start taking your places
Hold that pose for me
When I give the motion
Everybody freeze

Nobody move
I've come to take what's mine
Nobody move
'Til we're doing it in time
Nobody move
Nobody, mooove, nobody move

No, no, nobody
No, no, nobody
No, no, nobody
No, no, nobody

No, no, nobody move
I've come to take what's mine
Nobody move
'Til we're doing it in time
Nobody move
I've come to take what's mine
Nobody, mooove, nobody move
'Til we're doing it in time

Nobody move
I've come to take what's mine
Nobody move
'Til we're doing it in time

Nobody move
I've come to take what's mine
Nobody move
'Til we're doing it in time
