When I find myself watching the time  
I never think about all the funny things you said  
I feel like it's dead  
Where is it leading me now

I turn around in the still of the room  
Knowing this is when I'm gonna make my move  
Can't wait any longer  
And I'm feeling stronger but oh

Just as I walk to the door  
I can feel your emotion, yeah  
It's pulling me back  
Back to love you

Oh no, caught up in the middle  
I cry just a little when I think of letting go  
Oh no, gave up on the riddle  
I cry just a little when he plays piano in the dark

He holds me close like a beat of the heart  
He plays the melody, wants to tear me all apart  
The silence is broken  
And no words are spoken but oh

Just as I walk to the door

I can feel your emotion, yeah  
It's pulling me back  
Back to love you

Oh no, caught up in the middle  
I cry just a little when I think of letting go  
Oh no, gave up on the riddle  
I cry just a little when he plays piano in the dark

Oh the silence is broken  
And no words are spoken but oh  
Just as I walk to the door  
I can feel your emotion, oh yeah  
It's pulling me back  
Back to love you

Oh no, Iâ€™m caught up in the middle  
I cry just a little when I think of letting go  
Oh no, gave up on the riddle  
I cry just a little, ooh I cry, I cry

Oh no, caught up in the middle  
I cry just a little when I think of letting go  
Oh no, gave up on the riddle  
I cry just a little when he plays piano in the dark
