The whispers in the morning of lovers sleeping tight  
Are rolling by like thunder now as I look in your eyes  
I hold on to your body and feel each move you make  
Your voice is warm and tender  
A love that I could not forsake

Cuz I'm your lady and you are my man  
When ever you reach for me I'll do all that I can

Lost is how I'm feeling lying in your arms  
When the world outside's too much to take  
That all ends when I'm with you  
Even though there may be times it seems I'm far away  
but never wonder where I am, cuz I am always by your  
side

Cuz I'm your lady and you are my man  
Whenever you reach for me, I'll do all that I can  
We're heading for something, somewhere I've never  
been

Sometimes I am frightened but I'm ready to learn  
bout the power of love

the sound of your heart beating  
made it clear suddenly  
the feeling that I cant go on  
is light years away

cuz I'm your lady, and you are my man  
whenever you reach for me, I'm gonna do all that I can  
We're heading for something, somewhere I've never  
been  
sometimes I am frightened but I'm ready to learn  
bout the power of love

were heading for something  
somewhere I've never been  
sometimes i am frightened but I'm ready to learn  
bout the power of love

woooo the power of love

the power of love  
sometimes i am frightened but Im ready to learn  
bout the power of love
