We lay awake silent in the dark.  
You don't have to hide the trace  
emptiness left it's mark.

Ring of ice  
ring of ice 'round your heart.  
Ring of ice  
ring of ice break apart.

We are lonely people wearin' a ring of ice

Dancin' in the night  
tryin' to disguise all the lies behind.  
Countless empty lies wearing a ring of ice.

I walk alone searchin' for a sign

Someoneelse must be alive with warmth behind their  
eyes.  
Ring of ice

ring of ice 'round your heart. . . .  
All the lonely people wearing a ring of ice  
. . .

All the lonely people wearin' a ring of ice

Dancin' in the night  
tryin' to disguise  
All the lies behind surrounded by a ring of ice.  
Dancin' in the night  
tryin' to disguise  
All the lies behind surrounded by a ring of ice.  
Dancin' in the night  
tryin' to disguise . . .  
Dancin' in the night  
tryin' to disguise . . .
