Another night slowly closes in
And I feel so lonely
Touching heat freezing on my skin
I pretend you still hold me

Iâ€™m going crazy, Iâ€™m losing sleep
Iâ€™m in too far, Iâ€™m in way too deep over you
I can't believe you're gone

Watching shadows move across the wall
Feels so frightening
I wanna run to you, I wanna call
But Iâ€™ve been hit by lightning

Just can't stand up for falling apart
Can't see through this veil across my heart over you
You'll always be the one
You were the first you'll be the last

Wherever you go Iâ€™ll be with you
Whatever you want Iâ€™ll give it to you
Whenever you need someone to lay your heart and
head upon
Remember after the fire, after all the rain
I will be the flame, I will be the flame

Iâ€™m going crazy, Iâ€™m losing sleep

Iâ€™m in too far, Iâ€™m in way too deep over you
Youâ€™ll always be the one
You were the first you'll be the last

Wherever you go Iâ€™ll be with you, gonna be with you
Whatever you want Iâ€™m gonna give it to you
Whenever you need someone to lay your heart and
head upon
Remember after the fire, after all the rain
I will be the flame

Wherever you go, wherever you may go, ooh and
Whatever you want I wanna give that only to you
Whenever you need someone to lay your heart and

head upon
Remember wherever you go Iâ€™ll be with you, ooh Iâ€™m
gonna be with you babe
Whatever you want Iâ€™ll give it to you, over and over
Wherever you go, where you go, Iâ€™m gonna be there
by your side
Whatever you want, what you want I will give it to you
I will be the flame
