Jennifer Rush & Brian May

There's no time for us, there's no place for us
What is this thing that builds our dreams, yet slips
away from us
Who wants to live forever
Who wants to live forever

There's no chance for us, it's all decided for us
This world has only one sweet moment set aside for us
Who wants to live forever
Who dares to love forever, ooh
Who dares to love forever
Oh when love must die

But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today

Who wants to live forever
Who wants to live forever
Forever is our today
Who wants forever anyway
