I am a lineman for the county  
and I drive the main road  
searching in the sun for another overload

I hear you singing in the wires  
I can hear you through the whine, and the Wichita  
Lineman is still on the line.

I know I need a small vacation  
but it don't look like rain  
and if it snows that stretch down south with never stand  
the strain  
and I need you more than want you  
and I want you for all time  
and the Wichita Lineman is still on the line
