Jennifer Warnes & BJ Thomas

Show me that smile again  
Don't waste another minute on your crying  
We know we're near the end  
The best is ready to begin

Oh on a cloudy day  
I look into your eyes and see it shining  
Holding you close this way  
Is like having summer every day

As long as we've got each other  
We got the world spinning right in our hands  
Baby you and me, we gotta be  
The luckiest dreamers who know what we're  
dreaming

As long as we keep on giving  
We can take anything that comes our way  
Baby rain or shine, all the time  
We got each other sharing the laughter and love

Promise me here and now  
Never a ... will ever come between us  
You can depend on me  
Cos I need you like the air I breathe

As long as we've got each other  
We got the world spinning right in our hands  
Baby you and me, we gotta be  
The luckiest dreamers who know what we're  
dreaming

As long as we keep on giving  
We can take anything that comes our way  
Baby rain or shine, all the time  
We got each other sharing the laughter and love

As long as we've got each other  
We got the world spinning right in our hands  
Baby you and me, we gotta be

The luckiest dreamers who know what we're  
dreaming

As long as we keep on giving  
We can take anything that comes our way  
Baby rain or shine, all the time  
We got each other sharing the laughter and love
