## "Could It Be Love"

Visit "[Could It Be Love](#)" on [MotoLyrics.com](#)

Well it seems right  
But I wonder  
And it feels right  
But I wonder  
If I know how true loves feels  
Well he shows me  
But I wonder  
He tells me  
But I wonder  
If he knows how true love feels  
Is it all infatuation  
(Or is it possibly real)  
Is it heart ache's consolation  
(Or is it possibly real)  
Tell me again  
(This could be just what you wanted so long)  
Please tell me again  
(This could be someone who has wants and needs of  
his own)

Well it seems right  
(Could it be love)  
But I wonder  
(Could it be love)  
And it feels right  
Oh but I wonder  
(Could it be love)  
If we know how true love feels

Is it all infatuation  
(Or is it possibly real)  
Is it heart ache's consolation  
(Or is it possibly real)  
Tell me again  
(This could be just what you wanted so long)  
Please tell me again  
(This could be someone who has wants and needs of  
his own)

Well it seems right but I wonder  
It feels right but I wonder  
If we know how true love feels

Well he shows me but I wonder  
He tells me but I wonder  
If we know how true love feels  
Well it seems right but I wonder  
It feels right but I wonder
