I found my loco girl again.  
Though still no word for where she's been.  
I sensed the memory on her skin  
Like broken glass had broken it  
And I in exile recognized a friend.

These chains grow stronger every year.  
Will she defect or disappear?  
This world can't hold her in its sway.  
Maybe she'll take me there some day  
When I find my loco girl again.  
(When I find my loco girl again)

This world can't hold her in its sway.  
Maybe she'll take me there some day.  
When I find my loco girl again, Oh  
When I find my loco girl again  
When I find my....
