Now I've had the time of my life
No I never felt like this before
Yes I swear it's the truth
And I owe it all to you
Cos I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone who'll stand by me
We saw the writing on the wall
As we felt this magical fantasy

Now with passion in our eyes
There's no way we could disguise secretly
So we take each other's hand
Cos we seem to understand the urgency

Just remember
You're the one thing I can't get enough of
So I'll tell you something
This could be love, because

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you, hey baby

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to lose control
Yes I know what's on your mind when you say
Stay with me tonight

Just remember
You're the one thing I can't get enough of
So I'll tell you something
This could be love, because

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth

And I owe it all to you

Cos I've had the time of my life
And I've searched through every open door
Til I found the truth
And I owe it all to you

Now I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you

Cos I've had the time of my life
And I've searched through every open door
Til I found the truth
And I owe it all to you
