Chiquitita, tell me what's wrong
I have never seen such sorrow
In your eyes and the wedding is tomorrow

How I hate to see you like this
There is no way you can deny it
I can see that you're, oh so sad so quiet

Chiquitita, tell me the truth
I'm a shoulder you can cry on
Your best friend
I'm the one you must rely on

You were always sure of yourself
Now I see, you've broken a feather
I hope we can patch it up together

You and I know, how the
Heartaches come and they go
And the scars they're leavin'
You'll be dancin' once again
And the pain will end
You will have no time for grievin'

You and I cry but the sun
Is still in the sky and shining above you
Let me hear you sing once more
Like you did before, sing a new song, Chiquitita

Try once more like you did before
Sing a new song, Chiquitita
